

*Dear Sarah & Rob*

*Just a quick card to say a huge thank you for coming over to see me, it was so lovely to meet you both.*

*As always your staff have made my little escape wonderful, especially Andrea, Amy, Janet and Owen, what a lovely young man - a true gentleman.*

*I am so pleased you are having future events too.*

*I'm hoping to return for Danny Wilde, he's so joyful and uplifting.*

*You guys are doing so well, a great job with this beautiful place and I will continue to share and actively promote to friends and followers.*

*I would love to see local bands come here, i know a few are really good and also the Jazz Club could maybe recommend you to their traveling musicians too.*

*Take care and keep warm, sweethearts.*

*Love and blessings*

*Sal*
